## Important Notes for All Participants

Dear Participant,  
please take a moment to read the following important information:

### 1. Behavior During the Race

Throughout the entire marathon, traffic regulations apply. Each participant is responsible for their own safety. Instructions from race marshals and helpers must be followed at all times. Faster riders must be allowed to overtake at any time. Overtaking riders are responsible for ensuring that slower riders are not endangered. Cutting or leaving the marked course will lead to immediate disqualification. Entry fees will not be refunded under any circumstances.

### 2. Disclaimer of Liability

Each participant agrees to waive all legal claims against the organizer, host, and their assistants or agents. Furthermore, each participant confirms that their training and health conditions meet the race's physical demands. The organizer accepts no liability for loss or damage to valuables. With their registration, each participant agrees to the terms published at [www.hegaugravel.de](http://www.hegaugravel.de).

### 3. Race Number Pick-Up – Opening Hours

Race numbers can be collected during the following hours:

- Saturday, 06.07.25 – from 14:30 to 17:30
- Sunday, 07.07.25 – from 07:00 until 30 minutes before each respective start

### 4. Emergencies

In case of emergency, participants are obliged (as a matter of course) to help. Emergency services are in place. A race doctor will be present at the start/finish area and can reach incidents on course quickly via quad bike. Additionally, the Red Cross (DRK Singen) will be on the course.

**Emergency number: 112**

**IMPORTANT: PLEASE ALWAYS CARRY A MOBILE PHONE DURING THE RACE!**

## 5. Aid Stations

Each lap includes two aid stations on the course and one at the finish. You'll find water (with and without carbonation), apple spritzer, Nutrixxion bars, muesli bars, cakes, bananas, and gels. In addition, it is permitted in the feed and tech zones to receive food and drinks from your support staff."

## 6. Time Limit

A time limit applies to the 108 KM course. From 15:30, no participant may start a new lap. However, riders will still be listed in the results with their time up to that point. This does not affect UCI World Championship qualification!

## 7. Timing / Certificates / Finisher Gifts

Timing is provided by 'Race Result Germany' using disposable transponders attached to the seat post – no return required.

Certificates will be available online from Monday, 08.07.25.

Finisher gifts will be distributed at the number pick-up.

Finisher medals will be handed out at the finish area.

## 8. Race Numbers

All courses will also feature race bibs, which are color-coded according to age category only on the UCI World Championship qualification routes. Wearing the race numbers is mandatory.
